

August 10, 2021

Dear North Lake Family and Friends,

In recent weeks the Delta variant of the Coronavirus has become the dominant strain globally. This is a highly contagious and deadly form of the virus particularly for those who are not vaccinated. The impact of this virus has been felt in every community, including our own. Within the past ten days we have had at least 3 employees test positive for the Coronavirus and a couple of our members who were vaccinated have experienced breakthrough cases of the virus. Therefore, we are taking the following steps as a matter of public health.

If you attend a class or volunteer in person at any North Lake Presbyterian Church facility you will be required to wear a mask while indoors. On Sunday mornings we will have greeters at the door with masks for anyone who would like to take one that may have forgotten theirs in their vehicle or at home. We are not requiring masks during worship, but we do hope that you will choose to wear one.

Our goal is to remain open for in-person activities and we want to do all that we can to protect everyone to the best of our ability. Our love for you drives our concern and has led us to the implementation of these steps.

Thank you in advance for loving your neighbor by maintaining distance from one another, washing your hands regularly, staying home if you are feeling under the weather, and wearing a mask.

Sincerely,

Pastor Shawn Smith  
North Lake Presbyterian Church
